

## **2020 Hervey Bay Squash Monday Comp**

### **Pre & Post play rules - Expanded**

1. This is an Individual Competition, and using Subs does not make for a fair result, therefore, Pre & Post-playing Matches, though not encouraged, are allowed.
2. It is the responsibility of the player requiring the Pre or Post-play to book a Court and organise a scorer and timer of the games. Also let Kathy know on 0412 087 193
3. Check on the notice board near the Bar first for the correct scoresheet as a Post-Play match scoresheet should be waiting there.
4. Otherwise, use a blank scoresheet, fill out the details of the match from the Time Sheet or Draw Sheet, i.e. (Event No., Match No., Names), for the match being played.
5. Once Pre or Post-play match is completed post scoresheet on same notice board near the Bar, as happens for Thursday Main Season Evening Comp.
