Wally Guerreiro thanked everyone who came onto the committee.

11 GENERAL BUSINESS:

Katie Totaro asked why we used Sporty HQ scoring for Dapto this year. Wally Guerreiro answered that he has been advised by AMSA that we will be moving to digital/electronic in the next 12 months, so Dapto was a trial to use squash levels and Sporty HQ.

Garry Irwin said World Squash has signed an agreement with squash levels. We need to have input into it. Autograde and Auto draw have come to the end of its life. It will take approximately 12 months to sort.

Davina Harding asked how will you get feedback from members. Wally Guerreiro said a survey will be sent to the members.

Michael Mortiss asked does it cost to use Sporty HQ. Wally Guerreiro said not if you are affiliated with sporty hq Mark Good said he uses sporty hq and has completed overseas where they use it and squash levels. We all need to be on the same platform.

Katie Totaro said some of the smaller centres don't have the ability to use sporty hq . Wally Guerreiro said NSWMSA will come up with a system for them.

Phil Grant said we are going down the path that Masters players didn't want. Masters was to have a good time. It's a money grab from Squash Aust and NSW Squash.

Mark Xuereb said we all have get together to be able to get funding to get juniors in.

Diane Gidley asked If Masters affiliate with NSW Squash do we have to play juniors. NO

Tracy-Lee Hall said to get new members in why don't we give them the first year free. Wally Guerreiro will put it to the committee.
